

EMPLOYMENT OPPORTUNITY
EXEMPT APPOINTMENT

CLASS: 7334 TITLE: STATIONARY ENGINEER
(ml1)

SALARY: \$2,893 Biweekly

DEADLINE: November 2, 2009

POSTED: September 21, 2009

JOB DESCRIPTION:

Laguna Honda Hospital's **Facility Services Department** is accepting applications for **one (1) as needed, non benefited** position in class 7334 Stationary Engineer. The incumbent will perform operation, maintenance and repair associated with a journey level Stationary Engineer, including but not limited to: light electrical work, pump repair, HVAC systems, emergency power generation and distribution, lighting, refrigeration, light plumbing, utility work and construction project support.

All City and County of San Francisco employees are designated Disaster Service Workers through state and local law (California Government Code Section 3100-3109). Employment with the City requires the affirmation of a loyalty oath to this effect. Employees are required to complete all Disaster Service Worker related training as assigned, and to return to work as ordered in the event of an emergency.

ESSENTIAL DUTIES:

Under general supervision, the Stationary Engineer performs the following essential job functions:

- Operates and maintains pumping, heating, ventilating and auxiliary plant machinery and equipment during an assigned watch;
- Makes operating repairs and adjustments to electric motors, boilers, pumps, compressors, alarm systems, switchboards, controls and other machinery;
- Maintains and repairs institutional instruments, furniture, equipment and specialized machines and apparatus;
- Performs other related duties as assigned/required.

MINIMUM QUALIFICATIONS:

1. Four (4) years of verified journey level stationary engineer experience in the maintenance, repair and operation of a variety of mechanical and electrical pumping, heating, air conditioning, ventilating and related plant machinery of a government establishment, hospital, industrial, production or commercial building; **OR**
2. Completion of a recognized four (4) year Stationary Engineer apprenticeship program; **OR**
3. Graduation from a recognized four (4) year Maritime Academy with a degree in engineering or Technology; **OR**
4. Possession of at least a 3rd Assistant Marine Engineer's License of any (unrestricted) horsepower (experience as an oiler or fire tender will not be accepted as qualifying experience); **AND**

5. Possession of a Universal Chlorofluorocarbon (CFC) certificate issued by the Federal Environmental Protection Agency.

Special Condition: This position requires two (2) years experience in the operation and maintenance of high pressure steam boiler.

Verification/Waiver: Verification of qualifying experience, education, and/or training is required at the time of filing. Candidates unable to do so may submit a letter requesting a waiver of this requirement indicating the reason(s) verification cannot be obtained. Failure to submit verification or request for waiver will result in application rejection.

DESIRED QUALIFICATION(S):

- Possession of a valid California Driver's License.

APPLICATION PROCEDURE:

Interested individuals must submit a resume, a [City and County of San Francisco \(CCSF\) employment application](#), and the 7334 Stationary Engineer Supplemental Application to **Mike Llewellyn, Director of Facility Services, Laguna Honda Hospital, 375 Laguna Honda Boulevard, San Francisco, CA 94116 by November 2, 2009**. CCSF employment applications may be obtained from DPH Human Resources Services, 101 Grove Street, Room 210, SFGH Human Resource Services, 2789 – 25th Street, LHH Human Resource Services, 375 Laguna Honda Boulevard, or from the website identified below. Applicants with disabilities requiring reasonable accommodation during the interview process may contact the person/department listed. www.sfdph.org

**PLEASE NOTE: APPLICANTS MEETING THE MINIMUM QUALIFICATIONS
ARE NOT GUARANTEED AN INTERVIEW**

*The Department of Public Health is an Equal Opportunity Employer
Women, Minorities, and Persons with Disabilities are encouraged to apply*
